Quality, environment & awards

The airport is also focused on having the best image possible. Granada airport has implemented an **Integrated Quality and Environmental Management System**, certified according to **ISO 9001 and ISO 14001** standards.

- The Regional Ministry for Equality, Health and Social Policies of the Government of Andalusia recognizes the work carried out by Federico Lorca Granada-Jaen Airport in **transporting organs and medical personnel for transplant operations** in 2014.
- Additionally, in 2013 FGL Granada-Jaén Airport was **certified by the Spanish Aviation Safety Agency (AESA), meeting the international standards recommended by the International Civil Aviation Organization (ICAO)**. The certification, valid until March 1st, 2016 entails both safety improvements and meeting international technical standards.

Yearly **quality surveys** for airlines and passengers are carried out in order to monitor their perception of the airport services.
